

Ready when you are.

M Public Video Wall Stand 4-Screens

Art No: 7 350 022 739 710

With the optional floor stand base you can stand or mount it to the floor and make the installation permanent. M Public Video Wall Stand 4 Screens (2x2) screen array configuration is: 2 screens wide x 2 screens high. Based on 180cm high pillar made out of durable aluminum, the possibilities for height adjustments are very

good and it is possible to provide perfect viewing angle for both a sitting and a standing audience. There is a power rail built into each pillar, providing 220v power to the screens or peripheral. This makes installation and cable management an ease.
