

Ready when you are.

M Universal Workstation Cart DT

Art No: 7 350 073 730 773

Multibrackets unique carts fits most notebooks and personal computer displays on the market. Multibrackets carts are space efficient, light weight and easy to maneuver in tight areas. Examples of places where it might be extra suitable is in a patient, emergency & operating rooms, labs, radiology, nurse stations – or wherever patient data or a maneuverable workstation

might be in need. 475x475x302 base makes the carts very easy to maneuver in tight areas. With its 31kg on high quality and silicon covered castors moving it around is a breeze. Medicine bins, Utility Drawer, Pad or document holder are all accessories that can be added to the Carts.
