

M Universal Wallmount Super Slim Silver

Multibrackets unique solution for ultra thin TVs.

The M Universal Wallmount and the M Universal Wallmount Super Slim are patented by Multibrackets.

Patent SE 526 502

Patent DK, FI, IT, NL, PL, RO, CH, ES, GB, TR, CZ, FR 1 725 779

Patent DE 60 2005 022 569.2-08

Patent US 7,661,640

M Universal Wallmount Super Slim is designed to perfectly fit the the new ultra thin flat panel TV launched by many makers during 2009.

M Universal Wallmount Super Slim is about 12mm thin, which is world leading. M Universal Wallmount Super Slim uses only the very highest quality of aluminium available on the market. This makes the wall mount construction superstrong and makes it withhold many times the weight of the LCD and plasmas they aim for.

Available in two colours - silver and black and also in three sizes - small, medium and large, the universal is truly what it says. Recommended screen sizes are 26" and up to 63".

M Universal Wallmount Super Slim main features:

- Super Slim profile, only 9mm
- Patented Multibrackets "slide in installation" for ultra fast installation
- Bubble level
- All aluminium bracket for superstrong construction
- Special extra wheels to make normal standard LCD's work as well (included)
- Exclusive gift box solution to complement the exclusive thin LCD's
