Suitable for: Public environments

Screen size: 60-90"

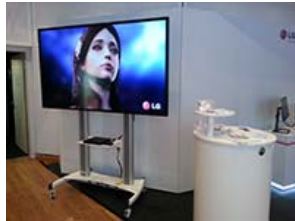

Change floorstand type:

M Public Floorstand SD

Multibrackets Public Floorstand SD is one of the most flexible and multifunctional display stands of its kind that can manage large screens in public environments.

Our M Public Floorstand SD has a versatile usage area. Mainly made out of a light weight aluminum construction it is both super duty and will support most ideas and environments it is placed in.

When developed much emphasize has been put into the stability and overall quality of the display stand, both when put in place but also when in movement. As a stabile and sophisticated display stand base with wheels are included as standard. This means the series is very easy to move around. This makes it a perfect partner for use in public environments such as conference rooms, class rooms or hospitals.

The M Public Floorstand SD can be used with screens in a standard landscape mode. It can be used with or without shelf (included) and a camera holder (included).

Highlights

- Present digital content wherever you want it
- Easy to assemble and install
- Easily roll the display stand through standard size doorways and thresholds
- Managing large screens - perfect for conference room, class room or elsewhere
- Camera holder and Shelf included
- Aluminum super duty, light weight construction
