

Ready when you are

M Universal Soundbar Mount Medium

EAN: 7350073732876

When you turn your TV from side to side you want your soundbar to move with the TV screen.

M Universal Soundbar Mount is made especially for turnable flat screen TVs.

The soundbar always faces you so the picture and sound and picture never loses sync.

To keep your soundbar flush with your flat screen TV, the height and depth of the Sound Bar Mount can be adjusted to fit different sizes and shapes of soundbars.

The metal finish adds a stylish accent to the sound bar bracket and it can be used with virtually any TV wall mount.

M Universal Soundbar Mount Medium holds a maximum weight of 10kg and provides secure support for your sound bar for TV's up to 70". The flexible design can be used with any wall mount that accommodates VESA® mounting patterns up to 600 x 400mm. The mount also gives you the function to connect a web camera or other camera device like Xbox or Playstation camera.

Highlights

- Fits most 40" to 70" TVs with mounting patterns up to 600 x 400mm
- Accommodates sound bars with mounting hole spacing up to (880mm)
- Includes hardware to mount sound bars with keyholes or threaded interfaces
- Height adjustable to achieve perfect placement
